

How to Clear Profile Values

Clear Profile Values

To clear profile values, select the level that you want to clear and click the Edit Audit Profile Values button.

From the Edit Audit Profile Values page, click the Clear Profile Values at this Level button at the bottom of the page.

The screenshot shows a confirmation dialog titled "Advisor Maintenance Maintain Audit Profiles". The main heading is "Clear Audit Profile Values". Below this, a green diamond icon is followed by the question: "Are you sure you want to delete the profile values for this level?". A dashed-line box contains the details: "Corporate Level HONDA MSO" and "Insurance Company". At the bottom, there are two buttons: "Yes -- Clear Audit Profile Values" and "No -- Do Not Clear Audit Profile Values".

Click the Yes button to confirm that you wish to delete the profile values. A confirmation will appear at the top of the page.

The screenshot shows the "Advisor Maintenance Maintain Audit Profiles" page. The heading is "Edit Audit Profile Values". A green box highlights a confirmation message: "The profile values for this level have been deleted." Below this, there is a navigation bar with "Select Corporate Level & Insurance Company" and "Edit Audit Profile Values". A dashed-line box contains the details: "Corporate Level HONDA MSO" and "Insurance Company".
