

## Download the CCC ONE™ Workflow - Appraiser Management Upload Application

The CCC ONE Workflow - Appraiser Management Upload Application enables you to upload .jpg images, .pdf documents, and EMS data into a CCC ONE Workflow claim folder.

**Important!** You must already have Adobe® AIR™ installed on your system in order to successfully download this application.

### To download the CCC ONE™ Workflow - Upload Application

1. You can view a demonstration of the Application download process. (Optional) Click the **Watch how** link.
2. To download the Application, go to your CCC Portal Home page, and click the **Install Appraiser Management Upload Application** link, under Utilities.
3. The Terms and Conditions page opens. Read the text, and, if you agree, click the **I accept the terms** checkbox. The Close and Continue Installation button becomes available. Click it.

**Note** You can also click the **Print** button to print the terms, or the **Cancel** button to stop the download.

4. If you get asked whether you want to Open or Save the file, elect to Open.
5. The Installation page displays. Accept the defaults, and click **Continue**.
6. A message displays that your CCC Profile will be applied when you do your first upload. Click **OK**.
7. Next download the CCC Document Converter to convert documents into .pdf format.
