

# CCC® Diagnostics - Scan Device Registration

---

## Introduction

This job aid describes how repair facilities can register a diagnostic scan device and manage diagnostic scanners in cccone.com.

Once a scan device is registered, scan reports will automatically be added to the Attachments tab of the specified workfile.

## Steps to Register a Diagnostic Scan Device

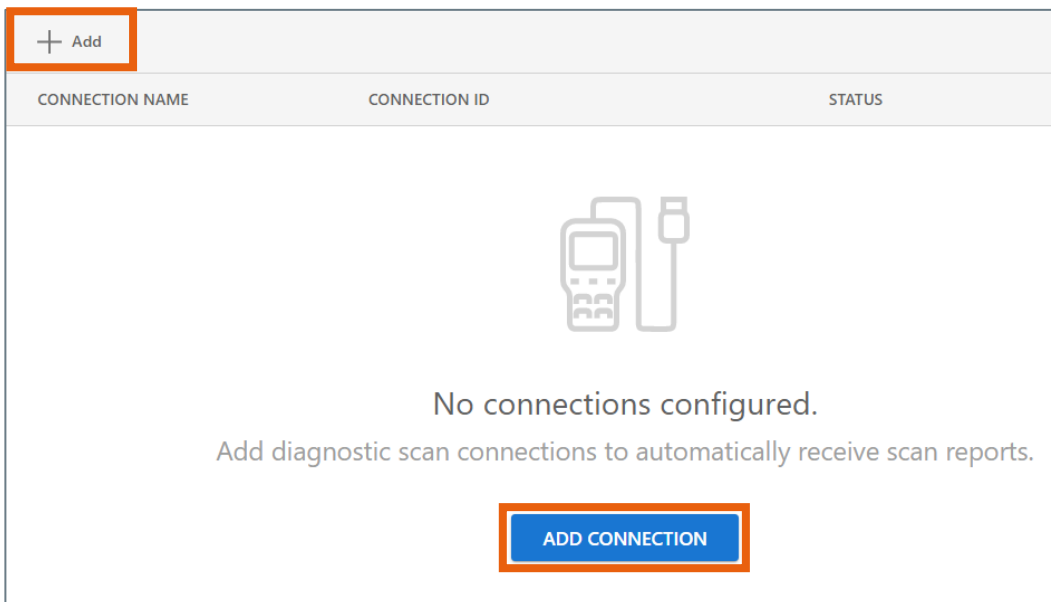

Step	Action
1	<p>Log into the CCC ONE Desktop application and select <b>Configure &gt; My Account</b> from the menu bar. The cccone.com web page opens.</p>  <p>The screenshot shows a software interface with a menu bar. The 'Configure' dropdown menu is open, displaying a list of options: 'My Account', 'Profiles', 'Machine Settings', 'Employees', 'Teams', 'Security Roles', 'Work Hours', 'Accounting Connections', 'Checklists', 'CCC Secure Share™', and 'Grow My Network'. The 'My Account' option is highlighted with an orange rectangular box. To the right of the menu bar, there is a 'Tools' dropdown and a search field.</p>
