(1) Searching for Shops The first step is to search for your Shops to manage. You can either search for one or more of your own Shops to manage OR, if you have the proper permissions, you can search and view your Subordinate's Shop lists. Let's

take a quick look at how to do each.

Search My Shops

When searching for your own Shops, simply keep the My Shops checkbox selected and then click on View Filters.

Subordinate		Actio	ıs
Fille			(
View filters	<u>/ </u>	<u></u>	
Shop Name	State	Shop Managed By	
	Salast a State	◯ Self ● All	

Begin typing a Shop name and the system will begin searching and displaying results as you type. *Tip!* Enter a State to narrow your results. You can apply your filters, clear them, or reset and start over.

Subordinate's List

If you are a Manager or Supervisor responsible for at least one subordinate, you have access to the **My Hierarchy** zone. Click on the **triangle** next to your name to view your hierarchy.

My Hierarchy	[?]

Click the triangle	Subordinate	Actions
next to any subordinate's name	► Doe, Jack	

to view their

subordinate(s). Click a **triangle** again to collapse the view.
